Come to think of it, I'm always besieged by a bunch of different emotions when I'm drawing manga for *Yuri Hime*— uncertainty, awkwardness, etc. So I'm really glad— and truly grateful— that my stories have been compiled into this volume! It's all thanks to the people that read my manga instead of just casting it aside! ♥

Thank you, truly!!

If you happen to enjoy yourself for even one moment while you're reading this book, then I'll have no cause for complaint! (><)

I BET WE'LL BE GOOD FRIENDS ♥
NICE TO MEET YOU, NISHINA-SAN ♥

OH... UM,
I'M WONDERING WHY YOU CHOSE TO TALK TO ME FIRST...

DON'T JUST MAKE ASSUMPTIONS ABOUT ME!

I'VE SEEN IT A MILLION TIMES.
PEOPLE LOOK AT YOU FUNNY. THEY DON'T UNDERSTAND.
WHEN I SAW MY PARENTS CRYING OVER MY SISTER...
I JUST DIDN'T GET IT.
I MIGHT BE ALL RIGHT WITH WHO I AM,
BUT THERE ARE OTHERS WHO MIGHT BE HURT IF WE'RE OPEN LIKE THAT...
THERE'S SOMETHING I'VE REALIZED:
IF PEOPLE DON'T ACCEPT EACH OTHER'S SET OF VALUES,
SOMEONE'S BOUND TO GET HURT...
SO?

FOR PEOPLE TO ACCEPT EACH OTHER.
THEY NEED TO MEET EACH OTHER HEAD-ON, AS THEY TRULY
EVEN IF IT MEANS THAT THEY END UP HURTING EACH OTHER A LITTLE BIT.
SO I..
I THINK YOU'RE JUST LYING ABOUT WHO YOU ARE.

THEN THEY'LL BE ABLE TO TRULY ACCEPT EACH OTHER FOR THE VERY FIRST TIME
THAT'S WHY WE SHOULD BE OPEN ABOUT OUR RELATIONSHIP!

I love "new things."
I love "firsts."

This is my first yuri comic. It's also the first book I've done that's the size of a post office box. (laugh)
Looking back on it now, I think there are a lot of "new experiments" and "firsts" in this book.

To all my readers–both the new ones who are reading my work for the first time, and my regular readers, who have read everything I've done–I'll be pleased if you're able to enjoy a bit of that "first time" or "new" excitement while you read this.

Everyone, new readers and old, thank you for picking up my book!! (><) I can't believe I got to put out a yuri book... I'm moved. And it's the first book I've done that's the size of a post office box. ♪ This is a nice "first"–I've been secretly yearning to do it. When I first got the opportunity to draw a short color manga for ***Yuri Shimai***, I had no idea I'd get the chance to draw more. I'm so pleased. To be honest, I drew it thinking it might be a one-time-only deal. (This has been a common attitude for me ever since I started drawing manga for a living, actually...) I'm well aware that it's thanks to all of you readers that I'm able to draw more. I realized that when I started drawing for ***Yuri Shimai*** and ***Yuri Hime***. The truth is, a long, long time ago, I used to draw illustrations and 4-panel manga for the readers' corner of a monthly yuri magazine (it was a ladies' magazine, so maybe I should call it a "lesbian magazine"). I did this for around three years. What a shock it was when I discovered–through email and the Net–that there were people who'd read my work at the time and remembered me. It was only a few small illustrations (smaller than 10cm, even) and one 4-panel manga a month. I couldn't believe they still remembered me!

I was sooo embarrassed, but also really happy. It's amazing that I get to reunite with those readers in this new yuri book. Thank you for checking out my manga again!! I'd like to thank all of my readers–both those who've been following my work from my debut and those who are seeing it for the very first time–from the bottom of my heart! I'm still wet behind the ears, but I'll continue to strive to draw stories that my readers will draw some small enjoyment from. Thank you...truly!

I hope we'll meet again in my next book... ♥
